

Michael Ross
Founding Partner
ROAMcare

Mr. Ross is passionate about sharing his experience and is a strong advocate for communication, education, and pharmacy staff development. He works for the care dispensed in today's pharmacies to speak to the tradition of respect and care rooted in the early pioneer offerings of pharmacy service and that from every encounter a patient becomes healthier and happier.

An accomplished pharmacist in all practice settings Mr. Ross recently co-founded ROAMCare.org, a nonprofit organization that launched recently online, to refresh the personal enthusiasm. ROAMCare's podcasts and blogs speak to improving self-care by refreshing our enthusiasm for ourselves. These are more information can be found online at ROAMCare.org.

Mr. Ross received his Bachelor of Sciences in Pharmacy from the Duquesne University School of Pharmacy and has a certification in Supervising and Managing People from the Katz Graduate School of Business at the University of Pittsburgh. Mr. Ross has been recognized multiple times for exceeding expectations in small hospital pharmacy management.
