

Diem Pham
Founding Partner
ROAMcare

Driven with vision and focus on compassionate care, communication and education, Dr. Diem Pham empowers every caregiver to improve the lives of each person they meet. In her 25 years of professional pharmacy practice, Dr. Pham has served in settings ranging from ambulatory, acute hospital, state institutional, manufacturing, home infusion, and long-term care, both in Canada and the United States to explore her niche to make the greatest impact. She has extended herself in professional capacities as staff, clinician, consultant, manager, and director, as well as a patient and a lifelong learner.

Dr. Pham co-founded ROAMCare.org, a nonprofit organization that launched recently online, to refresh our personal enthusiasm for ourselves and those around us. You can tune into ROAMCare's podcasts on Apple, Spotify, Google or Radio Public or find more info on ROAMCare.org.

Dr. Pham received her Bachelor of Sciences in Pharmaceutical Sciences from the University of British Columbia, post graduate Doctorate of Pharmacy from the University of Washington. She has an Applied Health Informatics certification as well as a lean six sigma black belt. Dr. Pham enjoys swimming and exploring the outdoors with her daughter, Sarah. Interestingly, Dr. Pham has not watched TV for almost 10 years. She is a public speaker who captivates, connects and inspires audiences.
